

PLEASE JOIN US FOR OUR
17th annual LADIES' NIGHT OUT

The Manhasset Women's Coalition Against Breast Cancer is an all-volunteer, non-profit charitable organization whose mission is to fund innovative research, increase awareness through education and provide support services to those with breast cancer and related diseases.

To date, the Coalition has awarded nearly \$2.5 million to breast cancer research and education programs, positively impacting the lives of women far beyond our community. Locally, the Coalition maintains an Outreach Program that provides emotional assistance, resource information and support services to women coping with breast cancer and related diseases.

This year, the primary recipient of the Coalition's fund-raising efforts is NYU Langone Cancer Center, a premier breast cancer research facility. The selected project, led by Mamta Tahlilani, Ph.D., will study DNA Methylation patterns in breast cancer and how they can be translated into new therapies.

Your support will help the Coalition continue to play a leadership role in the fight against breast cancer.

All contributions are tax deductible (except \$55 per Ladies' Night Out ticket).
The Manhasset Women's Coalition Against Breast Cancer
is a section 501 (c) (3) charitable organization.
