TECHNIQUE

CERTIFICATION TRAINING

The AromaTouch Technique was created by Dr. David K. Hill, D.C., a physician and world-renowned expert in the medicinal use of essential oils. Dr. Hill created a technique that would be easy enough for anyone to learn and administer, yet powerful enough to produce consistent results.

The AromaTouch Technique incorporates simple hand techniques with the power of essential oils to create a powerful whole body wellness experience. Whether you are young or old, male or female—anyone can learn the technique and put it to use in the lives of those they care for.
