

MWCABC fall updates 2020

The MANHASSET WOMEN'S COALITION Against BREAST CANCER

September, 2020 Issue 6

Events & Happenings

Wrap Manhasset in Pink for the month of October

Unfortunately, the MWCABC's Ladies' Night Out event originally scheduled for October 21st has been cancelled due to the COVID pandemic. This is our largest fundraiser but it will not stop us from continuing the Coalition's mission to help women and their families in our community who are battling cancer.

We are inviting the community to join the MWCABC's month-long campaign: "**We are Manhasset Pink Strong**" for the month of October. Daily videos will be published on Facebook/Instagram that will highlight a warrior, researcher, doctor, recipient, family member or a volunteer to speak about what the coalition has done, continues to do and what it means to them.

In addition, we are creating a calendar of events around town in order to generate support for our local businesses. We invite the community to **Wrap Manhasset in Pink** in order to bring attention to our cause and to help us fundraise. We look forward to seeing store fronts outfitted in

LI2Day

Congratulations
Team
Manhasset!

Team Manhasset
has walked the

last LI2Day Walk that was scheduled in May of this year. Due to Covid-19 the LI2Day walk went virtual. Unfortunately, they have since closed their doors after 17 years of serving and supporting the breast cancer community. They will be missed tremendously as they were instrumental in helping so many women fighting cancer in Long Island.

Team Manhasset decided to walk a quiet, socially distanced walk through the Manhasset neighborhood. Our team was filled with warriors, survivors, loyal supporters, and volunteers who walked for the coalition and those battling breast and other women's cancers. It was an incredible and very special day.

Year after year, Team Manhasset has worked hard to fundraise, volunteered their time, and has walked endless miles. Each year the MWCABC would receive a grant for all these efforts. I am honored, as Team Captain, to announce that Team Manhasset received a grant for \$42,000. WooHoo!

Without this grant, the Outreach Program would not be able to assist and

pink and our posters hanging proudly in the windows. These businesses will be identified on Facebook and Instagram to which our community can be directed to support.

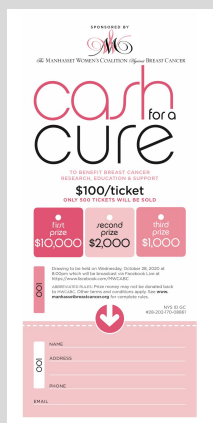

More information coming soon! Updates are also made on Facebook and Instagram.

help the many women who are fighting cancer in our community. This has been an unprecedented year and these women need our support more than ever.

Congratulations to Team Manhasset! Thank you for all your years of support and dedication, and walking the walk.. It truly takes a village.

MWCABC OUTREACH

Outreach Program Co-chairs Meet with Outreach Care Coaches, Covid 19 Style, May 2020

After many months of quarantine, most everyone in attendance for the Self Care Workshop was in need of some TLC.

Care Coaches are Outreach Volunteers who lend an ear, provide resources and help navigate women diagnosed with breast cancer through the services the MWCABC can provide.

However, they too require support at
times. Co-chairs, Sabine Hairabedian
and Dorothy Forte, invited Dr. Ronald
Cohen to meet with members of their
team via Zoom to help provide tips
and techniques for managing the
stress associated with the current
pandemic situation. They discussed
how to better cope with the range of
emotions most are facing, so they
could continue doing the very
important work they do with their
Outreach Recipients.
