

Join our Women's Wellness event:
**Ask the Experts -
Women's Cancers**

Join us as our experts discuss the recent advancements in the prevention, diagnosis and treatment of some of the cancers that most often affect women – breast, gynecologic and colorectal. Learn ways to incorporate a healthy lifestyle during and after cancer, including stress reduction, exercise, sleep and diet, and participate in a Tai Chi session to help relax the mind and strengthen the body.

Speakers:

Bethany DeVito, MD

Director, Gastroenterology Health
Center for Women
Department of Medicine

Lucy P. Gade, MD

Medical Director
Center for Wellness and
Integrative Medicine

Andrew Menzin, MD

Chief, Division of Gynecologic Oncology
Central Region
Department of OB/GYN

Nina S. Vincoff, MD
